SCPL – Company Profile.

History:

We started our journey in the year 2018 Dec Incorporated as **SREEJA CONSTRUCTIONS PRIVATE LIMITED**, to undertake Infrastructure & Contract business. SCPL is started by Four People wanted to achieve the dream of establishing an organization where it's aiming to good service to clients and vendors etc. But our Organization was started because there is one only one Motto or aim etc., are **"We need to give people there voice"**. If we create a work culture in our organization that people are able to express their ideas without fear, then we are on the way to make great organization.

OUR VISION:

Our Vision for is to be Excel in service that we provide to our clients and to do work with good Quality and complete the project within the stipulated period.

And To become one of the recognizable established Organization in India.
